A LETTER FROM THE PRESIDENT
DR. DEAN VAN GALEN

Dear Graduates,

On behalf of the entire university community, including the Missouri Southern State University Board of Governors, congratulations for earning a degree of high quality from Missouri Southern. This milestone in your life is a testament to your hard work and commitment, and to the great potential you have in the years ahead to make a positive difference.

Your commencement comes at a unique and difficult time as our campus, community and world face the challenges associated with the coronavirus. I am very proud of the way our campus has worked together to face these challenges, and today we especially celebrate your perseverance and accomplishments with a commencement ceremony that is indeed different, but no less meaningful.

I know you understand that this day is made possible not only by your own efforts, but also by the support of our outstanding faculty and staff, your family and friends, the citizens of Missouri who have invested in your education, and the many alumni of Missouri Southern who support the university through advocacy and charitable gifts. I encourage you to express gratitude to those special to you who have helped make this day possible.

You will always be part of the Missouri Southern family. Stay connected. Be an enthusiastic ambassador. Wear the green and gold with pride. Give back as you are able. Know that you will forever be a Lion. And, again, congratulations!

Lions Together,

A handwritten signature in black ink that reads "Dean Van Galen". The signature is written in a cursive, flowing style.

Dr. Dean Van Galen
University President
